PROTECTION

STAY IN SYNC WITH YOUR CHEVY.

Today's Chevrolet is changing perceptions of quality, including how you maintain your vehicle. Chevrolet Pre-Paid Maintenance plans help control the cost of recommended maintenance while service schedules can help keep your Chevrolet up to date and running strong.

Customizable

We offer Pre-Paid Maintenance in conjunction with your vehicle's Oil Life Monitoring System. We realize different driving styles may require more frequent maintenance. Therefore, various terms and mileage options are available.

No Deductible

If you purchase a Pre-Paid Maintenance Plan, maintenance performed that is part of your Pre-Paid Maintenance Plan will be completed at no cost to you. This includes Genuine GM Parts and labor associated with maintenance covered under your selected plan.

Flexible

Chevrolet Pre-Paid Maintenance and Chevrolet Pre-Paid Maintenance Plus are available for your new, used, or leased Chevy vehicle.

Transfers and Cancellations

If you decide to sell your covered vehicle, you can easily transfer your coverage to the new owner upon payment of any applicable transfer fee and completion of paperwork. You can also cancel your agreement at any time. If canceled within the first 60 days and without any maintenance services redeemed, your purchase is fully refundable. If you cancel after 60 days or if any maintenance services have been redeemed, you will receive a pro rata refund less any maintenance services redeemed and any applicable cancellation fee.

Convenient

While we encourage returning to the dealer where you originally purchased your vehicle, you will be reimbursed for covered maintenance services performed at any GM dealership. You'll be able to keep track of any service performed, including mileage and the number of services available to be used, in the included Services Checklist of your Pre-Paid Maintenance Agreement.

Exclusions*

- Maintenance services not performed by a Chevrolet, Buick, GMC, or Cadillac dealer
- Any improvements or upgrades of any kind made to the vehicle
- Maintenance services in excess of those provided by the Pre-Paid Maintenance Agreement
- Any item not listed under the Maintenance Package

*Not a complete list of exclusions.

Pre-Paid Maintenance Plus

The optional Chevrolet Pre-Paid Maintenance Plus package is based on a set of manufacturer's recommended maintenance, which may include air filters, cabin air filters, transmission and transfer case fluid changes, and spark plugs.

This is not a contract or agreement. The entire terms and conditions of the Agreement are included in the Pre-Paid Maintenance Agreement. See your dealer for a copy of the Agreement to review the full list of coverage, benefits, and exclusions.

See Agreement for complete details. Pre-Paid Maintenance coverage is provided and administered by AMT Warranty Corp., P.O. Box 927, Bedford, TX 76095, (877) 265-1072. AMT Warranty Corp. is a GM-approved provider, but not a related entity of GM or its dealerships.
